# Enrolment Procedures

Before applying for enrolment, parent/carer(s) should read:

- the GRG Prospectus
- the Enrolment Policy
- the current fees schedule
- the Terms and Conditions of Enrolment

All documents are available on the School's website.

All applications for Enrolment must be:

- on the School's official application form
- complete with all supporting documents attached
- signed by parent/carer(s)

When the Application is received, it will be considered, based on the School's enrolment policy criteria. The School will then:

- require Application for Enrolment fee to be paid
- advise the parent/carer(s) they must attend an interview following which the School will decide
  - whether to make an offer of enrolment; or
  - student will be placed on a waiting list and an offer made if a place becomes available; or
  - advise if application has been unsuccessful.

If the School makes an Offer of Enrolment the parent/carer(s) must sign an acceptance of the offer on the form provided and pay the non-refundable administration fee and bond (one bond per family).

If an offer of enrolment is made and accepted, no less than a term's notice must be given if the parent/carer(s) decide not to proceed with the enrolment to give the School time to fill that position. If the required notice is not given, fees in lieu of notice will be charged.

The School should be informed of any change of address or contact details after an offer (or conditional offer) of enrolment is made.

# Enrolment Policy

1. Applications for enrolment may be made at any time by the parent/carer(s) of students.
2. Preference will be given to students enrolling at the school for the first time who will be five years of age on or before 28 February of the year in which they enrol.
3. The School will base any decision about offering a place to a student on:

## Family relationship with the school:

- Sibling of a current or ex-student
- Either of the parents attended the school
- Children of Anglican clergy
- They hold attitudes, values and priorities that are compatible with the School's ethos

## The student:

- The contribution that the student may make to the school, including its co-curricular activities
- The student's reports from previous schools or prior to school service e.g. the NSW Department of Education's Transition to School Statement.

## The School:

- Ability to meet the special needs or abilities of the student.

## Other considerations:

- Order of receipt – when the application to enrol is received by the School.
4. The School will meet with parent/carer(s) of the student before offering a place.
  5. The School has an absolute discretion in determining the weight of each of the factors it takes into account in determining whether to offer a place for the student.
  6. Continued enrolment at the School is dependent upon the student making satisfactory academic progress, attending consistently and the student and parent/carer(s) observing all behavioural codes of conduct and other requirements of the School, which are applicable from time to time.

# Parental Code of Conduct

This Code has been developed so that parents and those with parental responsibilities are aware of and meet the School's expectations with regard to their interaction with the School, its teachers, other parents and students. Adherence to this Code is important to promote positive and productive relationships within the School community.

## Role of the School Generally

The School is responsible for establishing and administering the policies, procedures and rules which govern the day to day operations of the School. It is important that parents recognise and respect this, adhere and have their children adhere to the School's requirements, and support these decisions.

## Discipline

The School expects students to comply with its rules and not engage in behaviour, which is harmful to others or is contrary to the ethos and philosophy of the School. Parents are expected to support the School in relation to its discipline policy and not do anything which undermines its authority. It must be understood that in the case of minor disciplinary matters, the School will be the arbiter of what took place and what a fair punishment is. It will not engage in debate about the details of the conduct for the appropriateness of the punishment.

In relation to more disciplinary matters, which may result in suspension or expulsion, the School will inform parents of the matter and will deal with it in accordance with the School's disciplinary policy. While parents will be consulted, the final decision will be the School's.

## Interaction with Staff

The School conducts regular meetings between staff and parents at which the student's progress can be discussed. There may be other times when a parent or staff member requests a meeting to discuss particular issues that may arise during the course of a student's schooling.

If a parent wishes to meet with a staff member, they should make an appointment so that a mutually convenient time can be arranged. This can be done through the school office.

Parents should never attempt to contact a staff member at their home.

It is important that parents show respect for staff, and not publicly criticise them or seek to undermine their authority. If a parent has a particular concern about a member of staff, they can raise it with the staff member concerned or with the Principal. However, when doing so they should observe the general rules of conduct set out in this Code.

The School has a duty of care to protect all staff, and for this reason any aggressive or abusive behaviour will not be tolerated.

## Complaints

If a parent has a complaint about an issue, this should be directed to the teacher responsible for the particular area of activity. Following this, the parent may make an appointment with the Head of Year (Secondary), Stage Coordinator (Primary), Head of Department (Secondary), Director of Teaching and Learning (Primary) or Director of Student Wellbeing to further discuss the issue. If the matter needs to be taken further, then the parent may make an appointment with the Deputy Principal or Principal to further discuss the issue.

If a parent wishes to make a complaint, they should not use rude or abusive language. This is not productive and can make it harder to resolve concerns.

## Parental Code of Conduct continued

### Interactions Generally

Communications whether verbal or in writing with other members of the school community, whether teachers, administration staff, other parents or students, should:

- show respect, courtesy and consideration;
- not harass or bully another person;
- not use intemperate language; and,
- not be confrontational.

Social media should not be used to criticise or denigrate others in the school community.

### Sport

When attending sporting events, parents should exercise restraint when supporting school teams. In particular, they should not abuse, threaten or otherwise seek to intimidate an umpire or referee, or be directed against a player or any School representatives.

The Sports Coaches select teams based on their view of the most appropriate selection at the relevant time. It is not appropriate for parents to complain about the failure of their child to be picked for a particular team.

### Separated Parents

Where some students have parents that are separated or divorced, parents should not attempt to involve the School in any parental dispute that may arise. The School is not able to make judgments on the merits of claims made by one parent against another and should not be asked to do so. Nor should it be asked to take any action which would or is designed to disadvantage one party. The School will of course, observe any orders made by a Court in relation to a student or communications with parents.

### Failure to Observe this Code

If a parent fails to observe this Code after being warned about a breach, the School may:

- limit access to a teacher or teachers;
- limit access to the school premises or sporting or other school events; or
- terminate the enrolment of the student.

# Terms and Conditions of Enrolment

## 1 Acceptance of Offer of Enrolment

- 1.1 An offer of enrolment must be accepted by both Parent/Carer(s) where appropriate unless the School agrees to waive this requirement. Upon acceptance, all signatories to the terms and conditions will be jointly and severally liable in respect of the obligations contained in these terms and conditions.
- 1.2 The acceptance of the offer must be accompanied by a non-refundable administration fee of \$500 and a \$500 bond (per family).
- 1.3 If Parent/Carer(s) wish to defer the entry of a student to a different calendar year to the initial request, the School will advise whether it is able to agree to this. If it is unable to agree, the Student will be placed on a waiting list for the requested year but enrolment will not be guaranteed.

## 2 Conditional Enrolment

- 2.1 All enrolments are conditional upon the School being satisfied, at its discretion, that the student's needs can be met by the School. The School may cancel the enrolment if it determines prior to the start of the enrolment that the student's needs cannot be met.
- 2.2 The School may require Parent/Carer(s) to provide reports and assessments necessary to determine the particular needs of the Student.
- 2.3 Competence in English is a prerequisite for enrolment. If the School considers that the English language capabilities of the Student are not sufficient it may require the Student to undergo an intensive English language course. If the required language level is not reached, the School may decide that the enrolment should be cancelled.

## 3 Progress of Student

- 3.1 If the School considers that the progress of a Student is unsatisfactory and that it can no longer meet the Student's needs, it may cancel the enrolment of the Student by giving not less than one term's notice.

## 4 Fees and Charges

- 4.1 The School Board determines the fees and charges that will be payable, which are set out in a Schedule of Fees. The fees are revised regularly and may be amended each year.
- 4.2 The School may also incur expenditure for the student's needs on behalf of the Parent/Carer(s), as it reasonably considers necessary, which may be added to the Parent/Carer(s)'s school account.
- 4.3 All medical expenses incurred on behalf of a student must be reimbursed by the Parent/Carer(s).
- 4.4 All Fees and Charges must be paid on or before the due date set out in the fees notice.
