

HSC RESULTS REPORT

CLASS OF 2024

CONGRATULATIONS TO THE CLASS OF 2024

BEN HAEUSLER
Principal

It is with great pride and joy that I congratulate the Class of 2024 on their outstanding achievements in the Higher School Certificate. While their results reflect tremendous effort and commitment, and continued improved academic standing for our school, we are even more inspired by the personal growth and character each student has displayed throughout their time at GRG.

GRG prides itself on fostering an environment where students thrive not only academically but also personally. The Class of 2024 is a shining example of this, departing GRG as confident, capable individuals ready to embrace the opportunities and challenges of the future.

Our 40th Anniversary Year 12 Class epitomised the values of GRG, demonstrating resilience, ambition, and a commitment to excellence in every aspect of school life. This publication offers just a glimpse into their many accomplishments, and we eagerly anticipate hearing about their ongoing success as they step into the next stage of their lives.

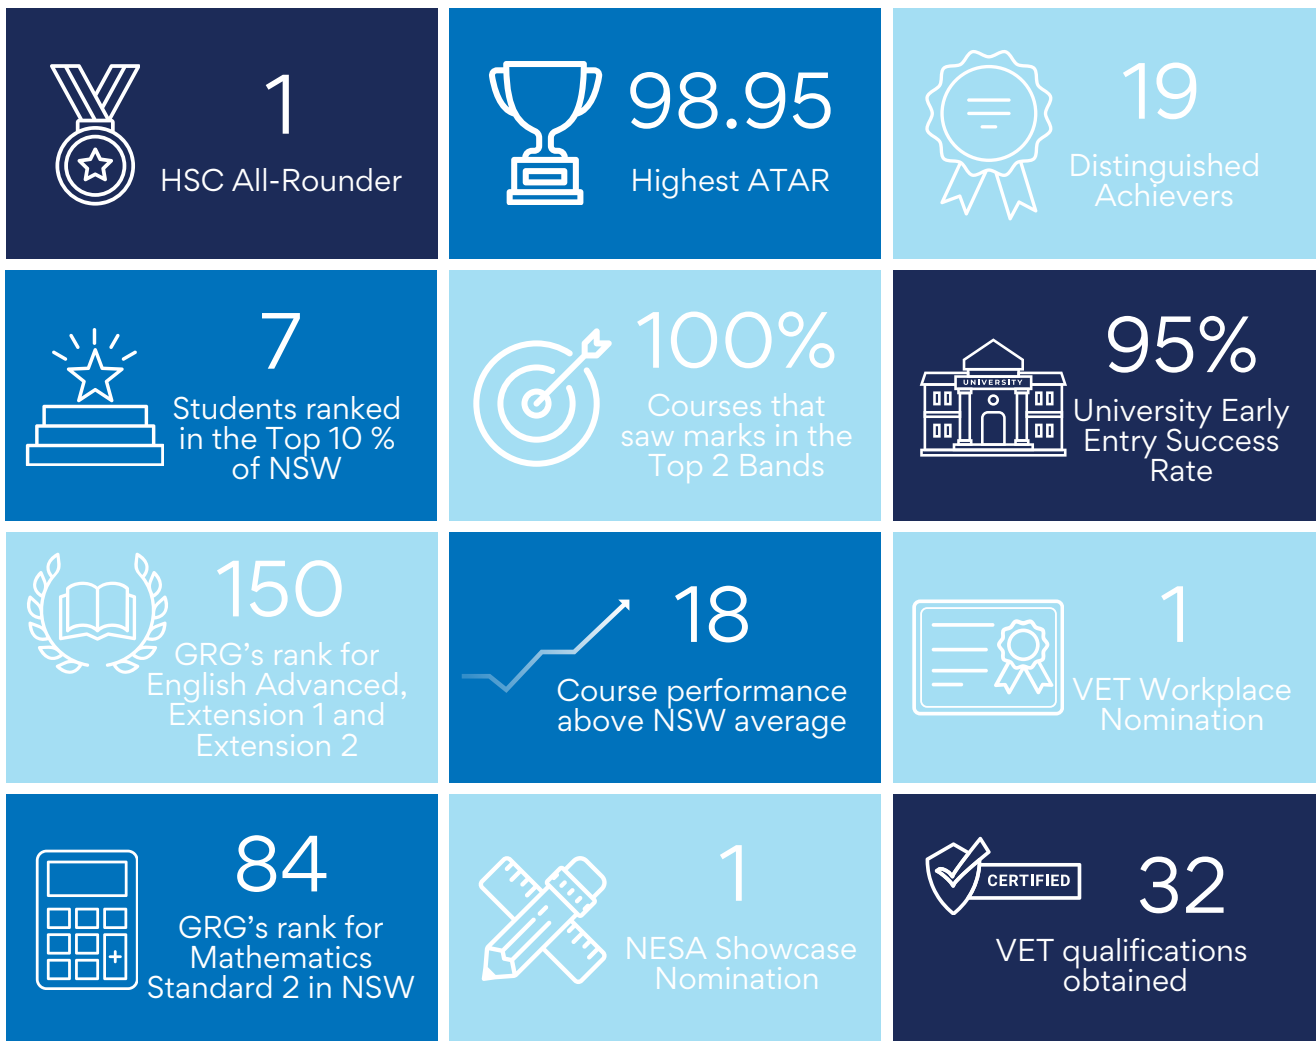

This publication demonstrates that there is much to celebrate with these results. The cohort's performance reflects the School's continued growth in ensuring consistent academic rigor. For example, these 2024 results saw 19 students placed on NESA's Distinguished Achiever's List - this is the second largest representation that GRG has had on this prestigious list. 2024 also saw GRG with its best ATAR range in history. We are proud of both achievements.

But all this would not be possible without the support of our exceptional teachers and parent body. I extend a heartfelt thanks to the teachers whose guidance and encouragement helped our students realise their potential, and to the parents who provided unwavering support along the way.

Congratulations once again to the Class of 2024. We are incredibly proud of all you have achieved and cannot wait to see the amazing things you will accomplish in the years ahead.

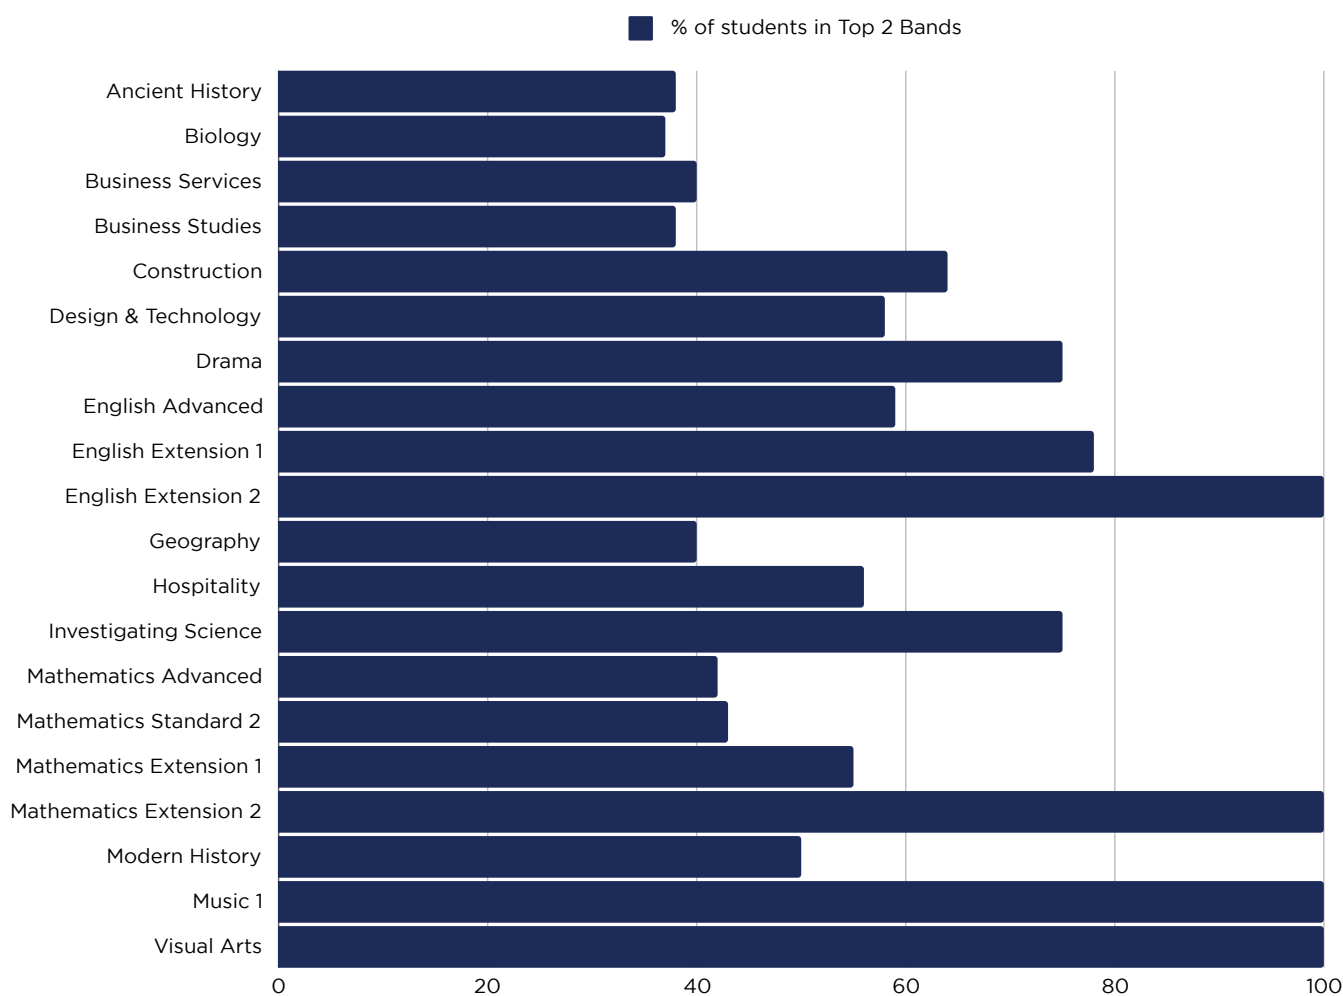

RESULTS SNAPSHOT

COURSE PERFORMANCE

Top 2 Bands in Each Course

The graph below provides a snapshot of key courses to show the percentage of students who achieved a mark in the Top 2 Bands:

Courses with Top Band Performance

The courses below saw student achievement within the top band:

- Biology
- Business Studies
- Construction (VET)
- English Advanced
- English Extension 1
- English Extension 2
- Hospitality (VET)
- Mathematics Standard 2
- Mathematics Advanced
- Mathematics Extension 1
- Modern History
- Music 1
- PDHPE
- Physics
- Visual Arts

THE HONOUR ROLL

ADAM CALICETTO

2024 GRG DUX
2024 School Captain
Ranked in the Top 1.5% of NSW
ATAR: 98.95
NESA Distinguished Achiever

“Thank you to all of my teachers for their relentless guidance and support over the past few years. The HSC is a rough road, and it wouldn’t be possible without the staff we have backing us throughout the whole journey. My advice for future students is to remember that consistency adds up, and small, steady efforts can lead to big results. Believe in yourself, trust the process, take breaks, and don’t be afraid to ask for help when you need it.”

ADAM’S APPROACH TO THE HSC

Adam has had an exceptional year and has been relentless in his pursuit of excellence. Studying Biology, Business Studies, English Advanced, English Extension 1, Mathematics Advanced and PDHPE, Adam achieved the top band in each course, culminating in an examination mark of 95 in both English Advanced and PDHPE - outstanding achievements. Aside from his overall diligence, a hallmark of Adam’s success was his receptiveness to teacher feedback. He was frequently submitting sample examination-style responses to his teachers for feedback, but would then complete a robust process of evaluation and application of that feedback. Adam’s approach was a model for all future students in how to navigate the HSC.

DEPUTY PRINCIPAL

RANKED IN THE TOP 5% OF NSW

SEAMUS FUARY

2024 GRG Proxime Accessit
NESA Distinguished Achiever

“The teachers at GRG are truly what makes this school special and I would not have achieved the amazing result without their unwavering support and guidance. I extend this thanks to my parents who always stood by me and pushed me to conquer challenges. I would advise to always reach out and ask for feedback from teachers, doing continuous past paper questions to consolidate understanding of content. I look forward to the next chapter of my life at university and hope that future cohorts realise the rewarding nature of the HSC when it’s all over.”

GISELLE KHATIB

2024 GRG Tertius
NESA Distinguished Achiever

“I would like to express my gratitude to the school for their unwavering support and guidance throughout my HSC journey and years prior to that. The dedication of the teachers, the encouraging environment, and the strong focus on academic excellence have been instrumental in helping me achieve my results. I am truly grateful for the opportunities, resources, and encouragement provided, which have allowed me to reach my full potential. Thank you for being a foundation of knowledge, growth, and inspiration.”

STUDENTS IN FOCUS

EDAN NGUYEN

Grounded in textiles methodology, Edan's Major Work for Design & Technology was nominated by HSC markers for NESA's SHAPE Showcase - a prestigious exhibition that showcases exemplary HSC Major Works across Design and Technology, Industrial Technology and Textiles and Design. A mere nomination for SHAPE is a profound achievement, which places Edan's Major Work in the top tier of all Major Works across the state.

HANNAH PHILLIPS

Already the recipient of GRG's Student Vocational Education & Training Award which was announced at GRG's Presentation Evening, Hannah has secured an internship with NRL team South Sydney Rabbitohs. Facilitated through TAFE NSW, Hannah will now complete a Dual Diploma - Diploma of Leadership and Management and a Diploma of Sport, Aquatics and Recreation Management, whilst gaining priceless experience working with the professional NRL outfit.

*Congratulations to our
Class of 2024*
