

2026 FEE SCHEDULE

Application Fee

A non-refundable application fee of \$100.00 is applicable to all students applying for a position at Georges River Grammar.

Enrolment Acceptance Fee

A non-refundable administrative fee for enrolment of \$500.00 inclusive of GST is payable on acceptance of an offer of enrolment.

Bond

A bond of \$500.00 is payable on acceptance of an offer of enrolment (one bond per family). The bond is refunded on completion of the youngest child's schooling, when and if sufficient notice of leaving is given (one full term) and all fees and charges are paid in full.

Year 7 Transition Fee

For all students transitioning from Year 6 to 7 at Georges River Grammar a fee of \$500.00 is payable in Year 6 to secure your child's place in Year 7. This is applied as a credit on your account for fees for Year 7. This fee is non-refundable should you decide not to continue with enrolment after the payment is made.

Tuition Fees

The Georges River Grammar School Board determines that fees are set at the lowest possible level to ensure the proper functioning of the School. They are subject to variation from year to year. Tuition Fees include the costs associated with camps, excursions, incursions, activities, sport and programmes.

Subject Levy Charges (Year 8 -12 only)

In addition to Tuition Fees, for certain subjects elected in the Secondary school in Year 8-12, there will be a subject levy that includes planned activities for the subject. Billing will be done annually for subject levies at the beginning of the school year. These levies will be included in the payment plan set up in Compass.

Some activities are “**opt in**” and will not apply to a full year group and will therefore be charged separately if a student chooses to participate in these additional activities.

Sibling Discount

Sibling discounts are applicable and set at 20% for the second child, 40% for the third child and 75% for fourth and subsequent children within the family. The sibling discount applies to net Tuition Fees only.

Tuition Fees do not include textbooks, stationery and uniforms. The sibling discount applies to families with children enrolled in the School at the same time.

Payment of Fees

The School uses the secure online payment platform, Compass. All families are required to set up a payment plan for the year ahead by Term 1, Week 4 and make regular payments via direct debit through Compass. Payments can be made weekly, fortnightly, monthly or quarterly. Parents who wish to change their payment schedule after this date, must seek approval from the School.

If paying annually, fees are to be paid in advance and in full by Term 1, Week 4. At this time a 10% upfront discount on tuition fees applies.

Prompt Payment Discount

Those families who do not pay their Tuition Fees annually and in advance, but make regular payments by direct debit via Compass, without default and by the conclusion of the school year (end of Term 4), will receive a 10% discount on net Tuition Fees. This Prompt Payment Discount will be calculated in November and applied as a credit to your school fee account by the end of Term 4 as a token of appreciation for prompt and scheduled payments.

This discount is only applicable to students who complete the full year at Georges River Grammar.

Advance Payment of Tuition Fees

Parents who wish to pay tuition fees several years in advance for their child are welcome to do so. The applicable tuition fee rate for the year of payment will be charged, based on the published fee schedule at that time. Families choosing this option will still be eligible for the 10% upfront discount, provided that they meet the School's payment terms. This option provides financial certainty for families while ensuring continuity of education at Georges River Grammar.

For example, a family who has a student who is in Year 7 in 2026 and wished to pay for the next four years in advance would pay the following rates:

	2026	2027	2028	2029	TOTAL
Tuition Fees	13,518*	13,518*	15,282*	15,282*	57,600*
Student's Year Group	Year 7	Year 8	Year 9	Year 10	

*inclusive of discount

Private Tuition Fees

Private music tuition is available at an additional cost, paid directly to the tutor.

Building Fund

The Georges River Grammar Building Fund is an integral part of the School's operation. This tax-deductible fund allows the School to pay for the ongoing infrastructure development, maintenance, and repair of buildings. The generosity of many families from our school community has ensured that we have been able to build and maintain excellent facilities for students and staff. To opt out of this non-compulsory payment, families must notify the School prior to a receipt being issued.

PEG (Parent Engagement Group) Levy

A PEG levy is charged in lieu of a variety of fundraising activities, to allow the PEG to focus on activities that support the School and its community. This is a compulsory fee, non-refundable levy.
